APARTMENT-STYLE HALL/COURTYARD POLICIES (continued)

ACCESS TO UNIT FOR BATHROOM
MAINTENANCE/CLEANING
University Housing Facilities staff will enter each unit every other week in order to maintain/clean the bathroom areas. By signing The Courtyards contract, the student agrees to scheduled access for this purpose.

CARPET CARE
An upright vacuum cleaner is included and must remain within each unit. To reduce damage and preserve the appearance of your carpet, you should vacuum at least weekly. If a food or beverage spill occurs, immediately clean it up with a cold, wet cloth. Be sure to contact the Facilities/Operations office right away if you have difficulty removing the stain. Promptly reporting any spills or stains will help minimize the likelihood of permanent damage and the charges billed to the student.

KITCHEN, APPLIANCES AND LAVATORIES
Each unit will be furnished with a packet of User Guides for the appliances in the unit. Residents are expected to familiarize themselves with this information prior to using the equipment in order to avoid misuse or damage to the kitchen area or appliances. Kitchen areas are to be maintained in a safe and sanitary condition. If unsafe or unsanitary conditions are noted by Housing complex staff, residents will be required to correct the situation. If it is necessary for Housing staff to clean the kitchen area to restore the unit to safe and sanitary conditions, the cost of such cleaning will be borne by the residents of the unit.

Lavatories, sinks, toilets and all water and plumbing apparatus shall be used only for the purpose for which they are constructed. Sweepings, rubbish, rags, ashes, or other foreign substances shall not be thrown into the plumbing apparatus. Any damage, and the cost of cleaning or repairing plumbing resulting from misuse, shall be borne by residents.

PAPER PRODUCTS
Paper products are not provided in The Courtyards. Students are responsible for providing their own toilet paper, paper towels, etc.

PATIOS
We ask your assistance in maintaining a clean and attractive appearance throughout The Courtyards, including patios and balconies. Please keep patios uncluttered and swept clean. On patio areas, you may use only outdoor patio furnishings. For example, chairs, tables and other furniture must be cleared with the RD or you will be asked to remove it. You may not store, dry, hang, or drape items such as clothing, towels, linens, rugs, signs, flags, or have unsightly personal property on your patio or balcony. For the safety of others, do not throw any items, including, but not limited to, cigarette or cigar butts, from your balcony. Students found responsible for creating or participating in these types of unsafe behaviors may lose their ability to continue residing within the units. For the safety of all, no sitting on, hanging from, or climbing on railings, or throwing items from balconies is allowed.

TRASH
Residents are responsible for removal and proper disposal of trash from within their unit. Please place all trash in tightly closed plastic bags and immediately deposit them down the chutes. Trash may never be left in the hallways or on the balcony/patio outside your unit. Residents shall never dispose of hazardous materials of any nature whatsoever in any trash receptacles, dumpsters or similar containers such as “sharps”, etc. Containers are provided for usual and customary housing complex waste and trash.

UNIT CONDITION, REPAIRS AND ALTERATIONS
Residents are to maintain units in a good, clean, safe, and sanitary condition (reasonable wear and tear excepted). Except in the event of an emergency, requests for repairs or services must be submitted online to University Housing. The maintenance request form is available at fixit.unl.edu. In case of malfunction of utilities or damage by fire, water, or similar cause, notify Housing staff immediately. Emergency phone numbers can be found at fixit.unl.edu. Notifying Housing staff promptly of: water leaks, electrical problems, carpet holes, broken glass, broken locks or latches, malfunction in heating, air conditioning or other equipment, and any condition which poses a material hazard to health or safety. Once the notice is received, University Housing staff will act with reasonable diligence in making repairs and reconnections. Housing will provide normal maintenance and repairs within the unit without additional charge to residents. The cost of significant repairs made necessary by abuse or misuse of the unit and the surrounding areas by residents or their guest(s) will be borne by the resident(s). Residents are not permitted to make any alterations or improvements to the unit or surrounding areas.

UNIT LIGHTING
Contact the Facilities Operations office if it is necessary to replace burned-out light fixtures within your unit. Use of colored light bulbs in any exterior fixture is prohibited. Because there are no exterior electrical outlets at The Courtyards, you may not place extra lighting (such as holiday lights) outside of your unit, nor can interior outlets be used to support this type of lighting, since opening and closing of doors can cause light cords to become frayed.

UNIT LIVING AGREEMENTS
The Courtyards residents will enjoy a great deal of freedom and students are expected to exhibit mature and responsible behavior. One step that we utilize to ensure a quality living environment for all residents is to have the residents of each unit complete a “Unit Living Agreement,” outlining expectations within the unit on lifestyle matters such as guest visitation, quiet hours and cleanliness. You will be provided a model agreement form to be used as a basis for discussion with your roommate(s). It is important that all members of the unit take part in this important discussion and sign off on the form, which will be held on file with University Housing and can be renegotiated with assistance from your Resident Assistant (RA).
ASSIGNMENT POLICIES AND PROCEDURES

To request a residence hall accommodation, submit the summer 2016 residence hall contract online with an $80 advance payment. Assignments are made on a first-come, first-served basis and contracts received by April 1, 2016 will have the highest priority. Students who wish to be roommates should request each other as roommates on their respective contracts.

The Division of University Housing:

- Will attempt to assign students to the specific unit, type of unit and roommates requested. Depending on availability, this may not always be possible.
- Reserves the right to reassign student to different units when deemed appropriate and necessary.
- Reserves the right to alter room assignments and double/single status when necessary. This includes consolidation of those students with double room contracts who do not have roommates.

All residents within a unit will be of the same biological sex. A student’s room may not be used by anyone other than the resident to whom it is assigned.

By Federal law and University policy, room assignments and room changes cannot be made on the basis of race, color, religion, disability, national or ethnic origin, or sexual orientation.

Room assignments will be available on the Housing portal in MyRed within a week of April 1.

ELIGIBILITY

To be eligible to live in any of the four available residence halls during the summer, a student must be enrolled/registered for either Summer 2016 or Fall 2016 at the University of Nebraska-Lincoln.

For additional requirements, refer to Traditional Hall and Apartment-Style Hall Policies.

- Husker: Residents must be a single graduate or non-traditional student.
- Fedde: Residents must be an upperclass, graduate or non-traditional student.
- Courtyards: The Courtyards are designed for upper-class, graduate or non-traditional students who are ready for a more independent living environment.

Also, a student must:
- Have previously lived in a UNL residence hall, or
- Be a newly admitted transfer student, or
- Be a non-traditional student

TERM LENGTH

Traditional Halls (Selleck, Husker, Fedde): The Traditional residence hall contract can be contracted for one or more summer sessions. See the “Traditional Halls” chart for more details.

Apartment-Style Hall (Courtyards): The apartment-style contract is contracted for the entire summer period. The contract begins May 7, 2016 and ends August 11, 2016. Partial summer contracts are not available. See page 8 for more details.

INTERIM HOUSING

Traditional Halls (Selleck, Husker, Fedde): The Traditional residence halls have interim contracts in May and August. See page 5 for more details.

Apartment-Style Hall (Courtyards): The apartment-style halls have interim contracts in August. See page 8 for more details.

PRIORITY ASSIGNMENTS/ROOM RETENTION

University Housing will attempt to assign students to the hall and room type (double/single/2 or 4 bedroom) requested, but will not be able to do so in all cases. If you have special needs, let us know when you turn in your contract.

All individuals living in Selleck, Fedde, Husker, or Courtyards (1st and 2nd floors) Halls as of February 20, 2016 may retain the same room (same single/double status) if they turn in a summer contract for the entire summer no later than April 1, 2016. Residents not meeting the April 1, 2016 deadline may request to keep the same room at a later date. If the late request can be accommodated, a $50 fee will be charged for the extra processing required.

If you will be a resident in Selleck, Fedde, Husker, or Courtyards (1st and 2nd floors) Hall during the next academic year (2016-2017): Our goal is to minimize moves for students who will live in the residence halls for 2016-2017. We will try to assign students to the same hall and room in the summer to which they will be assigned in the fall. Those students must submit housing contracts for both the Second Five-week summer session and the 2016-2017 academic year.

PARENT/GUARDIAN SIGNATURE REQUIRED IF UNDER 18

If you are under 18 when you sign the contract, a parent or guardian must cosign the contract as a guarantor. By affixing his/her signature as a cosigner and guarantor, the parent or guardian acknowledges responsibility for payment of room, board and other fees under the conditions of this contract should you default on payment.

UNDER 16 POLICY

No student, age 16 or under, is allowed to reside in the residence halls without prior approval by the Housing Director.

EARLY CHECK-IN

Checking into the halls early is not permitted during the summer.

Traditional Halls – In order to reside in the halls before Pre-Session begins, students need to contract for the entire May Interim Period. Charges will not be pro-rated for those who have contracted for the Interim but move in after the Interim begins. Early Check-in is not allowed for 1st Five or 2nd Five Week Summer Session.

Apartment-Style – The Courtyards does not have a May interim session. Early check-in before May 7 is not permitted.

LATE ARRIVAL

Students arriving later than the first day of classes, must inform University Housing. If they do not contact the Housing Office, their housing contract will be cancelled as a no-show, their room assigned to someone else and adjusted housing charges will be uploaded to their UNL centralized bill.

NO-SHOWS

Any student who does not request cancellation in writing directly with University Housing and who is not occupying his/her room by 6 p.m. on the first day of their contracted summer session shall be considered a no-show. The contract will be cancelled as of that time unless an official notification of delay of arrival has been filed (written notice submitted and accepted by University Housing) by 4 p.m. on the first day of classes.

Students considered no-shows will be assessed the cancellation fee of $80, plus the daily room charge for the days their room was held. No-shows are required to be in compliance with the on-campus residency requirement. For information about the release process contact the Residence Life office at (402) 472-3885. This policy applies to both Fall and Spring semester entrants.

ROOM/HALL CHANGES

The Housing Department wants your stay at UNL to be an enjoyable one. If you believe that a different room/hall is a better fit for you, our staff will try to accommodate your request. Note: under Federal law and
ASSIGNMENT POLICIES AND PROCEDURES (continued)

University policy, room assignments/changes cannot be based on the basis of race, color, religion, disability, national/ethnic origin, or sexual orientation.

From Single to Double (Selleck Hall only): If you wish to change from a single-room contract to a double-room contract, submit a request with your hall Residence Director. Single to double-room requests require that you have a roommate request at the time of the change. Your RD will inform you and your new roommate of the cost difference and the charges will be reflected on your consolidated bill(s).

**Note: Husker Hall and Fedde Hall are single-room only. No double-room requests will be honored in these halls.

From Double to Single Room (Selleck Hall only): If you wish to change from a double-room contract to a single-room contract, submit a request with your hall Residence Director. Note that your UNL account must be up-to-date before you will be allowed to convert to a single room. Your RD will inform you of the cost difference and the charges will be reflected on your consolidated bill.

Hall Change: If you wish to change your summer Residence Hall, you must get permission to do so from both the Residence Director of your current hall and the Residence Director of the hall to which you wish to move. If the request is approved, you hall RD will give you a form that will note the date the change (and any corresponding charges) is to be effective. Your signature on this form indicates that the room portion of your contract is being changed with your approval.

IF YOUR ROOMMATE MOVES

Traditional Halls: If one student leaves a double room, the other student must take the room as a single and pay the higher rate. Due to the high number of residents on campus during the summer, the Division of University Housing reserves the right to alter room assignments and double/single status when necessary. This includes consolidation of those students in double-capacity rooms who do not have roommates. Please be aware that you may be assigned a new roommate at any time.

Apartment-Style Hall: If a roommate moves out of your apartment-style unit, you may not switch bedrooms without the approval of The Courtyards Residence Director. Facilities needs time to clean the newly-opened room, and your RD may have already assigned someone new to that room in your unit. Any moves done without proper authorization will result in a $50 administration fee, charged to each student involved.

ROOMMATE READY RULE

A current resident occupying a double room alone will need to keep one side of the room clear in case a roommate is assigned on short notice. After the first week of classes, a roommate may be assigned with 24 hour notice to allow the current occupant time to prepare to receive a new roommate. If the room is not ready to receive the new roommate, the current occupant will be billed a $50 inconvenience fee. A student who refuses to prepare the room for a new roommate may be subject to other action which could include being moved to another room or having her/his contract converted to a single room contract.

LOFTS IN ROOM

Included in your contract:

- Selleck Hall rooms are furnished with two loftable/adjustable beds. Furniture in the rooms may not be moved or stored.
- Fedde Hall rooms are furnished with one loftable/adjustable bed and one regular bed. All rooms are singles unless two students mutually request to share a room. Students in such double rooms may request an additional loftable/adjustable bed after they have checked in. Furniture in the rooms may not be moved or stored.
- Husker Hall rooms are furnished with one regular bed. Residents may request a loft bed after they have checked into the room. Furniture in the rooms may not be moved or stored.
- The Courtyards bedrooms are furnished with a loftable/adjustable bed in each bedroom. These beds can be set at three different heights: regular height, captain’s height (approximately 24 inches off the floor), or lofted height (approximately 67 inches off the floor).

Please note: Students are not allowed to bring their own lofts. Furniture in the rooms may not be moved or stored. Halls with loftable/adjustable beds will have beds in the lofted position when you move into the hall, but facilities will be glad to assist you in lowering the bed. Guard rails and ladders will be available at the Facilities Office when you move in at no additional charge.

ROOM FURNITURE

Furniture in rooms may not be removed or stored.

STUDENTS WITH DISABILITIES

UNL Housing is committed to providing accommodation to students with disabilities in the residence halls. Students who require reasonable accommodation must have an accommodation plan issued by the Services for Students with Disabilities Office. In order to ensure that appropriate arrangements can be made, students with disabilities who need reasonable accommodation in the residence halls must contact the Director of Services for Students with Disabilities at (402) 472-3787 a minimum of three weeks prior to the desired move in date. Such early contact will allow for individual needs to be determined before the student arrives on campus.

LANDLORD TENANT ACT DOES NOT APPLY

In accordance with Neb. Rev. Stat. §76 - 1408 (1) Reissue 1996, 2002 Cum. Supp. as amended, student is entering into this contract for a residence at an institution, which is incidental to the provision of education services, and therefore, this contract is not subject to the Nebraska Uniform Residential Landlord and Tenant Act.

We make every effort to label the menu items being served and identify the ingredients. At times, however, the ingredients of menu items will not be posted, and the possibility also exists that the ingredients and/or nutritional content may vary from what is posted. Manufacturers may change the formulation of the food without our knowledge and accurate nutritional information for certain product(s) may not be available. Any customers concerned about food ingredients should be aware of these risks and proactive about their food choices. It is ultimately the responsibility of the customer to decide whether to eat certain foods. The University will not assume any liability for adverse reactions to foods consumed or to items one may come into contact with while eating at a University establishment. For questions regarding the ingredients of the menu items or any other questions about food contents, please consult a member of the dining center’s management team at any time. 3. The student creates a disturbance or interferes with the right of other residents to enjoy peaceful occupancy of the premises.
4. The student threatens harm to self or others.
5. The student violates any rule set forth in the Residential Housing Rights and Responsibilities booklet.
6. The student does not make timely payment of his or her account.

---

**CHECKOUT PROCEDURES**

Checkout arrangements must be made with your Residence Director/Manager or with any Resident Assistant. You will need to set up an appointment to check out. At that time, you will need to turn in your key or key card and the room record card, pay for any damages, complete forwarding address information online and sign and receive a copy of the Check-In/Check-Out form. No credit will be calculated earlier than the date of official contract cancellation as established by the residence hall staff. An improper checkout by the resident will result in an additional fee of $50.

The Second Five-Week Session ends on August 11. All summer residents, with the exception of those assigned to the same room for the academic year, are required to vacate their rooms no later than 2 p.m. on that date. Residents who have been assigned to a different hall or room for the 2016-2017 academic year may move to the fall assigned room on August 11. Students who choose to move to (or to store their belongings in) their fall assigned room on August 11 will be charged for the week of August 11-17. (See Interim Housing, page 5 (Traditional Halls) and page 8 (Apartment Style Hall).

**LATE CLOSING/CHECKOUT FEE**

Selleck, Husker, and Fedde are open throughout the summer and a student can select which sessions they are staying.

- Students who have not contracted for on-campus housing for the Fall 2016 term are required to leave by Thursday, August 11 at 10 a.m.

The Courtyards is open throughout the summer and the contract is only for the whole summer, not sessions.

- Students who have not contracted for on campus housing for the Fall 2016 term are required to leave by Thursday, August 11 at 10 a.m.

It is important to make transportation and other arrangements accordingly. If you need an exception due to participation in graduation ceremonies or have other reasons for requesting additional time, please contact your Residence Hall Director at least three weeks prior to the end of the summer term.

In cases of inclement weather, University Housing will monitor travel conditions and, if warranted, will announce extended closing times.

Because unapproved late closing and checkout can adversely affect hall staff travel arrangements and cleaning schedules, students who do not clear the premises by the announced schedule date/time will be charged an improper check-out fee of $50 for the first hour and late fees of $50 for each additional hour thereafter.
CONTRACT CANCELLATION (continued)

ABANDONED PROPERTY
Any personal property with an estimated value of $250 or more that is abandoned on the premises of University Housing will be subject to the following:

- A notice will be mailed to the student at the student’s most recent address on record. A housing staff member will also attempt to contact the student on their cell phone.
- The notice will be sent within one week of the end of the contract between the individual and UNL Housing.
- The notice will describe the abandoned property, a contact person and phone number, the location where the property can be claimed, and date by which the property must be claimed. This date will be no later than 14 days from the postmark date of the notice.
- If the property has not been claimed by the specified date, the property will become the property of UNL and will be subject to UNL’s policy on surplus property.

Notice is not required to be mailed to the student for abandoned property with an estimated value of less than $250. If the property is determined to have an estimated value of less than $250, a 14-day waiting period will ensue at the end of which ownership shall immediately transfer to UNL and will be subject to UNL’s policy on surplus property.

RIGHTS AND RESPONSIBILITIES AS A RESIDENT

As with any community, there are policies that must be followed so that all residents can live together cooperatively and maintain a positive living-learning environment. The residence halls allow students a great deal of independence, responsibility, and freedom.

This living space requires that students possess the life skills that are needed to live in an independent living environment. Residents are expected to exhibit mature and responsible behavior. We expect you to read this information because you are held accountable for your behavior and the choices you make. When there are large groups of people living together, there is a need for community standards so everyone has the same opportunities and everyone is treated with respect.

University Housing reserves the right to deny or cancel a housing application or contract if UNL Housing, in its reasonable discretion, determines that a student’s past/current behavior or a student’s criminal convictions indicate a possible risk to the safety, health or life of any person or property, or presents a serious disruption to the UNL Housing community or living-learning environment.

CONSEQUENCES OF INAPPROPRIATE BEHAVIOR

As a member of a residence hall community, it is your responsibility to let others know if you think they are violating your rights, just as someone may let you know if you violate their rights. Staff members will also address inappropriate behavior.

We view discipline as another part of the learning process. Students who choose to violate University or Housing policy will be referred to the Residence Director or to the Office of the Dean of Students.

Possible sanctions include:
- Verbal warning
- University probation or warning
- Educational requirement
- Behavior requirement
- Contract relocation
- Contract termination (regular cancellation fees will apply)
- Suspension
- Expulsion
- Restitution: While we hope you will not find yourself involved in such a hearing, should you need more information, refer to the Student Code of Conduct (http://stuafs.unl.edu/ja/code/index.shtml) found in the Undergraduate Bulletin, which addresses sanctions and the appeal process.

SERIOUS VIOLATIONS

Certain regulations have been developed to assist in protecting your rights and the rights of other community members. Many policies are a matter of courtesy. Inappropriate behavior or unlawful activities may result in immediate termination of your residence hall contract (regular cancellation fees will apply), your relocation to another hall and/or referral to the Office of the Dean of Students or the appropriate law enforcement body. Such violations include, but are not limited to the following:

- Possessing, using, or selling drugs (including alcohol, marijuana, narcotics, or prescription drugs intended for use by another individual)
- Arson or tampering with fire equipment (i.e. fire extinguishers, alarms, exit signs, smoke detectors, sprinkler systems, speaker system, strobe lights, etc.).
- Abuse (physical or verbal) and/or battery of a resident or staff member.
- Possession of firearms or weapons, possession of explosives (including fireworks).
- Throwing or dropping objects out of windows.
- Trespassing in residence hall rooms or opposite sex bathrooms.
- Possession of stolen property.
- Tampering with the mail or mailboxes.
- Other inappropriate behavior deemed so by Housing personnel.

ACCIDENTS/LOSSES

Residents are required to immediately report any fires, accidents, injuries and/or property damage occurring in the unit. This enables us to promptly assist you and, in some cases, minimize the extent of damages.

ALCOHOL POLICY

State law and University regulations state that the possession or consumption of alcohol in any University residence hall is prohibited, regardless of the student’s age. In addition, it is a University policy violation to be in a room where alcohol is present.

- Possession or display of containers with residues that held, or were intended to hold, alcoholic beverages is also not permitted.
- Alcohol-related conduct that infringes upon the rights of the others to a quiet, orderly living environment or that poses danger to self or others is not acceptable under any circumstances.
RIGHTS AND RESPONSIBILITIES AS A RESIDENT (continued)

- University Police and residence hall staff reserve the right to dispose of alcohol.
- Residents in violation of this policy are subject to:
  - Mandatory attendance of an alcohol education class, as well as conduct probation, behavioral requirements, alcohol evaluation, relocation, contract cancellation (should such an action occur, full cancellation fees will apply), suspension, expulsion, arrest and/or prosecution.
- University Housing staff reserve the right to contact parents/guardians about any resident who is transported to detox or the hospital for acute alcohol intoxication.
- Your guests are subject to this policy; residents will be held similarly accountable for the actions of their guests.
- Additionally, individuals responsible for secondary hosting of a gathering at which alcohol is present are also in violation of University policy. Secondary hosting is defined as awareness or knowledge of such a gathering in one’s own room with the resident taking no steps to discourage its occurrence. Refer to the “Step by Step Process of the Behavioral, Alcohol and Drug Intervention Plan,” page 22.

CANDLES, APPLIANCES AND EXTENSION CORDS
You may not have lighted candles, burn incense, or use open heating coil appliances within the residence halls. For safety reasons, toaster ovens, quasidilla makers, electric skillets and electric grills (e.g. George Foreman grills) are not permitted in the traditional halls. Feel free to bring popcorn poppers, toasters, blenders, small microwaves (750 watts), small electric sandwich makers or coffee pots. All extension cords must be U.L. approved. Multiple outlet (“octopus”) plugs must be in good working order and have a self-contained circuit breaker or surge protector.

CARS, BICYCLES AND INTER-CAMPUS TRANSPORTATION
Student parking lots and garages are available within a few blocks of the halls. Permits may be obtained through the UNL Parking and Transit Services Office, located in the Stadium Drive parking garage, Suite A, 402-472-1800. For summer parking rates and information, please visit parking.unl.edu.
Husker Hall residents may obtain a Husker lot permit application (Area M only) from the Family Housing Office, located at 1115 N. 16th Street, room 306.

Bicycle racks are located outside each hall. You may also store your bike in your room or in other designated indoor areas. You will need to bring a lock for your bicycle. Mopeds, motorcycles and electric/gasoline-powered scooters may not be stored in rooms/buildings.

Fedde Hall, located on East Campus, is approximately one and a half miles from City Campus. Husker Hall is six blocks East of City Campus. Students choosing to live in Fedde or Husker Hall during the summer should realize that the inter-campus shuttle bus, in operation during the academic year, is not expected to be available during the summer.

StarTran, the Lincoln City bus line, provides service within 1 block of Fedde Hall, in front of Husker Hall and within 1 block of Love Library (located on City Campus) at approximately 30 minute intervals, except on Sundays. Information about StarTran services is available at http://www.lincoln.ne.gov/city/pworks/startran/. Residents who pay student fees may obtain a free bus pass by presenting their NCards at the UNL Parking and Transit Services Office located in the Stadium Garage.

COMPUTER NETWORK
The University of Nebraska is committed to providing the best network and service connections possible to all residence hall students. Students connecting their personal computer to the University network are responsible for following all of the guidelines and regulations of the UNL Computer Use Policies and ResNet, available on the UNL home page at http://resnet.unl.edu/wireless_network.shtml.

Personally-owned wireless routers are not permitted in the residence halls. If a student is found to be in violation of any UNL Computer Use Policies/ResNet policy, or fails to provide reasonable security precautions, updated anti-virus protection, or required system patches, his/her room computer port may be de-activated. If a room computer port has been deactivated for policy or system maintenance violations, a fee may be required to re-certify the computer and re-activate the port. Information Services staff (402-472-3535) are available to provide assistance by answering technical questions and making recommendations for personal computer maintenance.

DECORATIONS
Combustible decorations present a fire hazard in a residence hall room. Therefore, use of such decorations is strongly discouraged. Cut greenery, trees or branches are NOT permitted in rooms and light strings are not allowed in hallways. All items placed on the door of the unit must be above the doorknob to comply with Fire Code Standards.

DRUG POLICY
State law and University regulations prohibit possession, use and/or distribution of illegal drugs, drug paraphernalia and/or controlled substances (including marijuana, narcotics, or prescription drugs intended for use by another individual) in any University residence hall. After the completion of the Fall semester, non-compliance with this policy results in voluntary relocation. Failure to relocate by the end of the calendar year will result in full cancellation of your residence hall agreement. Any action occur, full cancellation fees will apply), suspension, expulsion, arrest and/or prosecution.
- Mandatory attendance of an alcohol education class, as well as conduct probation, behavioral requirements, drug use evaluation, relocation, contract cancellation (should such an action occur, full cancellation fees will apply), suspension, expulsion, arrest and/or prosecution.

- University Housing staff reserves the right to contact parents/guardians about any resident who is in violation of this policy or is transported to detox or the hospital for drug use health concerns.
- Your guests are likewise subject to this policy and residents will be held similarly accountable for the actions of their guests.
EMERGENCY PROCEDURES
Familiarize yourself with the emergency procedures in your hall. Contact your RA, RD, or University Police if you need emergency assistance.

FIRE HAZARD WARNING
DO NOT store any items in the furnace closet area of your living unit or block air intake vents outside of the furnace closet area. Failure to comply can result in a fire that endangers not only your life, but the lives of others in the building. Anyone who fails to adhere to this policy will be held responsible for any resulting damages. No storage of flammable materials in the units is allowed.

FIRE SAFETY EQUIPMENT
As a member of the residence hall community, you are relied upon and held responsible for keeping fire safety equipment in good working order. Therefore, you may not render the smoke detector(s) in your room/unit inoperable and you should report any malfunctions or inoperable smoke detector(s) to the facilities staff as soon as possible.

- According to the State Fire Marshal, the residence halls at UNL meet, and in many cases exceed, the state Fire and Life safety codes.
- Halls are equipped with safety equipment including smoke detectors and sprinklers in each room in most halls.
- Any person who misuses fire safety equipment (including, but not limited to, the following: misuse of smoke detectors, tampering with the sprinkler system, etc.) will be subject to severe disciplinary action and/or arrest. If you are aware of anyone who misuses fire safety equipment, report it to the staff and you may receive a cash reward provided by the Residence Hall Association.
- Objects are not to be hung on or within 18 inches of the sprinkler heads. Any sprinkler head discharge will lead to the immediate dispatch of the fire department, evacuation of the affected areas and a prompt and thorough investigation.
- Anyone who fails to adhere to this policy will be held responsible for any resulting damages.
- Fire regulations state that hallways shall not be used for storage of any personal property at any time.

FIRE SAFETY EVACUATION
- Everyone is expected to evacuate the hall immediately when a fire alarm sounds. Follow posted procedures for fire evacuation.
- You are expected to participate in hall drills to familiarize yourself with building evacuation procedures.

MEDICAL EMERGENCIES
Should a situation occur in which medical attention appears needed, University staff may summon emergency medical assistance. The cost of such assistance will be borne by the student/parents.

SEVERE WEATHER
- Everyone is expected to evacuate to the designated tornado shelter immediately when directed by announcement/bells/sirens. Follow posted procedures for tornado evacuation.
- You are expected to participate in hall drills to familiarize yourself with building evacuation procedures.

FACILITY MISUSE/CLEANLINESS
You and your roommate(s) are responsible for the condition of your room/unit and its contents. You will be charged for any damages beyond normal wear and tear. The condition of the common areas (lounges, hallways, elevators, and laundry rooms) is also the responsibility of the floor residents. Students who damage or misuse any hall facility will be responsible for the cost of repairs and may be subject to disciplinary action. Floor residents may also be held accountable for damages to the common areas should those responsible not come forward. In addition, cleanliness and sanitation are a necessity of community living. We provide clean common areas on each floor and restrooms in the unit and/or on each floor. You and your roommate(s) will be expected to maintain your room/unit in a safe and satisfactory manner in order to meet reasonable health and safety standards. You will also be expected to dispose of trash properly on a regular and routine basis. If you are responsible for unsafe or unsanitary conditions that have an effect on your room or others, you may be assessed a cleaning fee and sanctions may result from your disrupting the community. Unoccupied rooms in your unit are not to be used for storage, guests, etc, by the residents therein.

You must maintain your unit/room in a clean, orderly, and sanitary condition at all times. Refrigerate perishable food as soon as possible and dispose of all refuse by placing it in a trash bag and taking it to the trash chute within one day. Also, because empty food cartons and pizza boxes can attract insects and pests, you should take these items to the trash chute within one day. Unclean conditions may create an unhealthy environment for your roommate(s) and neighbors or cause permanent damage to appliances and fixtures. Residents will be billed for any actual costs incurred if it becomes necessary for Housing to have the unit cleaned and restored to safe and sanitary conditions.

FIREARMS/WEAPONS
Firearms, ammunition, martial arts weapons, knives, explosives, and other weapons are not allowed in the halls. A locked storage area is provided in the UNL Police department for firearms.

GAMBLING
Gambling, involving any exchange of money or anything of value, is not permitted.

GUEST/HOST RESPONSIBILITY
These regulations apply to the residents of all residence halls, regardless of room type.

- Guests are defined as family members, friends, or other persons related to or affiliated in any way with the resident.
- In every residence hall/living unit, you are responsible for informing your guests of residence hall policies and for the behavior and actions of your guest(s), up to and including being charged for policies that your guests violate.
• All guests must have an escort, which means the host is responsible for escorting and being with the guest to and from the room, as well as any other areas in the building, at all times.
• Guests may visit your room/unit at any time, subject to the "Unit Living Agreement" you and your roommate(s) will sign. At no time will more than 16 individuals (including residents) be permitted in any unit/room (apartment-style).
• Bathroom facilities in residence halls are designated either for men or women. Persons may only use bathrooms in the residence halls that are designated for their biological sex. (Traditional Halls)
• Residents are not permitted to host guests who have any active trespass restrictions.
• Overnight guests: Residents may have same-sex overnight guests in their room subject to the limitations listed below:
  - Overnight guests are only allowed with the consent of other roommates.
  - Visitation or overnight guests of one roommate should not infringe on the rights or access of other roommates.
  - The stay of the overnight guest(s) may not exceed four days (96 hours) in one month and such guests may not disturb roommates or other residents.
  - University staff reserves the right to require a guest to leave if University policies and/or residence hall policies are violated or if complaints are received from members of the floor/hall community.
  - Violation of any of these policies may lead to the limitation of guests visiting the resident(s) involved, nonresidents being charged with trespassing and residents (both guest and host) having their housing contract status reviewed.
  - The privilege of having guests may be revoked if the privilege is abused or residence hall or University policy violations occur involving the guests.
  - Same-sex overnight guests must be registered at the front desk and must carry their registration copy as ID.
  - No opposite-sex guests are permitted to sleep in a room overnight.

**HALL SPORTS**
The residence halls are not designed for athletic events or horseplay. It is important to keep hallways intact and maintain safety and minimize disruption of the sleep/study atmosphere, because of the risk of injuries, accidents and potential property damage. Sporting activities, including, but not limited to, skateboarding, bicycle riding, soccer, playing Frisbee, golf, hockey, rollerblading, throwing or bouncing balls, etc., in the hallways or public areas of the residence halls are prohibited. Violations can result in confiscation of equipment, as well as disciplinary sanctions and/or restitution for damages.

**HARASSMENT**
The Housing staff is committed to creating an environment in which each student feels safe living in the residence halls and is free from harm and unreasonable interference. Therefore, students who engage in acts or communications that are intended to threaten, intimidate, or harass a particular student and/or causes that student to fear for his or her safety are in violation of the harassment policy and will be subject to severe disciplinary action.

**LAUNDRY FACILITIES**
Laundry facilities are for hall residents only. Residents are solely responsible for unattended laundry. The front load washing machines require HE (high efficiency) soap in order to minimize sudsing, which can damage a machine.

Laundry facilities are operated with coinless laundry machines.

**NOISE**
Residents are expected to use discretion where noise is concerned both in and around the residential areas. Therefore, excessive noise is prohibited at all times. Courtesy hours are always in effect and students are asked to be considerate of others’ rights to study and sleep. See section on Quiet Hours for more information.

If stereos or other electronics are played out of windows, or are a problem in any area around the residence halls, owners risk removal of the equipment from the residence hall and may be held accountable for the expense of having their equipment boxed and shipped off campus. Due to the nature of these musical instruments, drums and amplified guitars cannot be played in any on-campus housing.

If a resident has a problem with noise, the first step is to talk to the resident(s) creating the noise. If the noise continues after a resident has discussed the situation with the other resident, your Resident Assistant (RA) should be contacted. If that RA is not available, contact the RA on duty for that building/area. During final examinations and dead week each semester, 24-hour quiet hours will be enforced.

**PETS**
Non-dangerous fish are the only pets permitted in the halls. No cats, dogs, gerbils, snakes, birds, crabs, turtles, frogs, spiders, etc; only fish that live completely underwater are allowed. Aquariums may be no larger than 25 gallons.

**PRANKS**
Practical jokes and pranks may damage property, injure other students, increase the noise level and disturb noninvolved residents. Students who engage in practical jokes and pranks will be held responsible for damages and disciplinary action may be taken. Because of the danger to others, dropping or throwing any object out of, or into, the residence halls is strictly prohibited. Violators will be referred for disciplinary action.

**QUIET HOURS**
Stereos, TVs, etc., can be a source of enjoyment to the listener; however, if played too loudly, they can also disrupt others’ activities. Since everyone has the right to sleep and study, it is expected that everyone be considerate and keep noise to a minimum. Residents of your hall floor establish study hours that are monitored by the residents with staff assistance.

You share the responsibility with staff members to ask others to be quiet, turn down stereos, turn off alarm clocks, etc., if you are being disturbed. At the same time, you will be expected to use your own stereo and other electronics in such a way that no one will be disturbed. Each session, during dead week and finals week, quiet hours are in effect 24 hours a day.

**ROOM ENTRY, INSPECTION AND MAINTENANCE**
The right to privacy, guaranteed by Federal and State laws, applies to your residence hall room. Entry to student rooms is limited to emergency or repair circumstances as deemed necessary by complex staff, or as may be legally required.

In order to maintain its property and a safe environment for students, University Housing reserves the right to have authorized personnel wearing identification enter and inspect residence hall rooms at reasonable times, as deemed necessary. University personnel may enter a room after first knocking on the room door and announcing a request to enter. Reasonable time will be given for occupants to respond before entry occurs. If residents are not in the room, a room entry report will be left to notify residents of such an entrance.
SALES/SOLICITATION/BUSINESS
Canvassing or solicitation of funds, votes, memberships, literature, signatures, sales or subscriptions, or operating a business is not permitted in the residence halls. All non-student groups, agencies and on-campus organizations, except the Residence Hall Association (RHA) and the Association of Students of the University of Nebraska (ASUN), must seek permission from the hall government or the Associate Director for Residence Life at University Housing for approval of solicitations. If you have a solicitor at your door, contact the desk, RA or RD. United States census staff conducting the American Community Survey (ACS) has permission to be in the residence halls. If you have census questions, see your Residence Director (RD).

SELF-DESTRUCTIVE BEHAVIOR POLICY
The University has a clear and distinct interest in maintaining a safe and educational environment in the residence halls. Residential communities and individual residents are seriously disrupted by self-destructive behavior. Among the most disruptive forms of misconduct are intentional attempts or threats to seriously injure oneself and reckless behavior which puts oneself or others in physical danger. Students who become incapacitated as a result of their own actions, and students who deliberately injure themselves, are subject to University action.

In light of the impact of self-destructive behavior upon the residential community, affected individuals are encouraged to utilize counseling resources provided to students free of charge. Residents interested in learning more about referral resources available in University Housing or on campus are welcome to call the Residence Life Office (472-3885), or Counseling and Psychological Services (CAPS) at the University Health Center (472-7450). All inquiries are confidential.

Based upon the offense, residents who engage in self-destructive behavior must accept responsibility for their actions and are subject to disciplinary sanctions under residence hall disciplinary policy and the University of Nebraska–Lincoln Code of Student Conduct. In the event a resident with a recognized mental disorder engages in self-destructive behavior, before determining a response, the University will take into consideration the resident’s medical diagnosis, the gravity of the injury, the impact of the behavior upon fellow residents, the appropriateness of reasonable accommodations and other pertinent factors. When a severe act of self-destructive behavior or an apparent threat of serious harm occurs, University Housing reserves the right to notify the resident’s parent or guardian.

RIGHTS AND RESPONSIBILITIES AS A RESIDENT

Staff may enter a residence hall room for reasons including, but not limited to, the following:
- To protect and preserve UNL property and enforce University Housing policies.
- At invitation or agreement by an occupant.
- To respond to a complaint of a disturbance, which includes hearing unusually loud or continuing sound from a room with the occupants failing to respond.
- To complete repairs to previously reported damaged items.
- Whenever someone moves out of a room, for check-out purposes.
- To respond to health and safety issues, to ensure the safety of people and facilities and for any emergency reason (e.g. spray for insects, fire or broken pipes, etc.).

SPACE RESERVATIONS
Recognized, non-residential student organizations, including campus religious groups, may reserve space on a week-to-week basis in multipurpose spaces in the halls for organization activities. Contact the Residence Life Services Supervisor of the complex in which you desire to reserve space.

THEFT/PROPERTY LOSS
UNL assumes no responsibility for students’ personal belongings. Coverage through home-owners’ insurance or from an independent insurance agent is strongly recommended. Keeping your room door locked at all times is highly encouraged.

Responsible living requires you to take reasonable action in the security of your possessions. Help protect your property by making a list of serial numbers, by locking your door when you leave the room, and not leaving items in public areas. The University does not provide personal property insurance. Your family’s household insurance may cover your property while you live in the hall. Discuss this with your family’s insurance carrier.

TOBACCO-FREE POLICY
All UNL residence halls are tobacco-free. Smoking and the use of tobacco products (including cigarettes, cigars, pipes, smokeless tobacco and other tobacco products), as well as the use of electronic cigarettes, are prohibited at all times.

Smoking areas are located outside each residence hall. Residents and their guests must dispose of tobacco materials in the receptacles provided. Smoking is not permitted within ten feet of building perimeters, including entrances.

WINDOWS AND DOORS
For safety reasons, windows and doorways may not be obstructed. Screens may not be removed by residents. Window and door blinds are provided within each unit for shade and privacy. No reflective film or other materials are to be applied to windows or patio doors.

Do not leave windows or doors open during inclement weather. Residents will be liable for damage to the unit, including paint, walls, cabinets, carpets, floors, furniture and appliances resulting from failure to exercise reasonable care.

SAFETY AND SECURITY
Your personal safety and the protection of your possessions require a joint effort between you and the University. Any behavior that jeopardizes the safety of residents or staff is prohibited. In order to make residence hall living at UNL a safe and pleasant experience, please adhere to the following policies.

BUILDING ACCESS
We want to make sure our residents feel safe in their new home. Therefore, residence halls are locked 24-hours a day.

- Residents of Selleck/The Courtyards will be issued NCard access rights to their residence hall’s exterior entry doors. NCards are only for the student they are issued to and must not be lent out to fellow residents or outside parties. From midnight to 8 a.m., residents must stop at the front desk of their hall to show their NCard to the Night Clerk.
- Residents of Husker/Fedde will be given a key to both their room and their hall’s exterior entry doors. This key is for the resident only and must not be lent out, or borrowed by, fellow residents or outside parties.
- Each Resident will be issued NCard access rights to other residence halls (not including entry to Fedde or Husker halls) which allow access from 6:30 a.m. until Midnight daily.
RIGHTS AND RESPONSIBILITIES AS A RESIDENT (continued)

BUILDING SECURITY
- Residence halls are only as safe and secure as residents help to keep them.
- All residence halls are locked 24 hours a day.
- To protect the safety and security of all residents, do not prop open an outside door to a residence hall. Jeopardizing residence hall security in any way is prohibited (e.g. propping outside doors open, vandalizing security cameras).
- Any unsafe situations you cannot correct (such as lights out in a stairwell, safety hazards, etc.), should be reported to a building staff member as soon as possible.
- You are responsible for the actions of your guests. Guests must be escorted at all times while they are in the residence hall(s).

NCARD/STUDENT ID
- Students are required to carry their NCard at all times. Failure to carry your NCard, giving false information to a staff member and/or failure to show the NCard to a staff member as requested are all violations of the Student Code of Conduct and Housing policies.
- Allowing another person to use your NCard for any reason is a violation of the Student Code of Conduct. The NCard is not transferable and is to be used only by the person to whom it is issued.
- Your campus NCard is required to gain access to the dining centers.
- If you lose your ID card, report it immediately to the NCard Office.
- Affiliate key cards are short-term loaner cards that allow a student access to their specific residence hall. Affiliate cards cannot be used to access dining or any other service.
- If you lose the affiliate key card you will be billed $30 for the cost of key replacement.

LOKED OUT OR LOST KEYS/CARDS
- Locked out: You may go to the front desk of your residence hall for a loaner key card OR replacement. You may check out a loaner key card up to three times, free of charge. After the third time, or in the case of late return of the loaner, a $10 service fee will be charged per check out.

- Fedde/Husker residents will be issued two keys: One for entry to their building, and one for their mailbox/room. Keys are for the sole use of the person to whom they are issued. It is a violation of the Student Code of Conduct and University Housing policies to duplicate this key or loan it to anyone else.
- Lost Key: You are expected to report the loss immediately to the front desk of The Village, located on 16th and X streets. You will be billed $30 per lost key (which includes physical door lock recore).
- Husker Residents Lock Out: If you get locked out of your room, you may go to the front desk of The Village, located on 16th and X streets, for a loaner key. You may check out a loaner key card up to three times. After the third time, or in the case of late return of the loaner, a $10 service fee will be charged per check out.
- Fedde Residents Lock Out: If you get locked out of your room, you may go to the front desk of Cather Hall, located on 16th Street, between R & Vine streets, for a loaner key. You may check out a loaner key card up to three times. After the third time, or in the case of late return of the loaner, a $10 service fee will be charged per check out.

UNSAFE ACTIVITIES
Any activity deemed by Housing staff to be a threat to the health and safety of residents is strictly prohibited. Prohibited activities include, but are not limited to: sitting on balcony railings, throwing anything off of a balcony, physical assault, or threat of physical altercation.

The University has made every reasonable attempt to make sure the information contained herein is accurate at the time of publication. However, we reserve the right to make corrections, when necessary. The Division of University Housing tries to respond quickly to your concerns and facilitate the best possible housing and dining program. We further reserve the right to make changes in how Housing and Dining Services operate compared to what is stated in this publication. Such changes may include, but are not limited to, location and changes in dining service hours. We will try to give advance notice but we reserve the right to make changes without notice. We will notify you as quickly as possible if we make a change that we believe will have a significant impact on the choices you indicated on your room and board contract. All requested preferences made on the Residence Hall Contract are subject to availability and Division of University Housing Contract Policies and Procedures. Please refer to the housing website for changes and updates.
### STEP-BY-STEP PROCESS OF THE BEHAVIORAL, ALCOHOL AND DRUG INTERVENTION PLAN

Discretionary responses will be applied according to displayed attitude, cooperation level and severity of violation. Failure to comply with the sanctions will result in a hold being placed on your future registration and may result in termination of your Housing Contract. Any deviations from the sanctions must have prior approval from the Associate Director of University Housing for Residence Life. Initial response by the University includes an administrative hearing with a student judicial officer. Documentation regarding all sanctions will be recorded in the University of Nebraska–Lincoln Office of the Dean of Students or with the Office of Residence Life.

We expect you to read this information because you are held accountable for your behavior and the choices you make. When there are large groups of people living together, there is a need for community standards so everyone has the same opportunities and everyone is treated with respect. University Housing reserves the right to alter your room assignment or cancel your contract if, in the University’s opinion, you are unable to adjust to the community standards necessary for a group living environment.
