On-campus Residency Requirement Policy

Students who live on campus are more likely to earn better grades, become involved on campus, interact with faculty, and are much more likely to graduate. Due to the significant link between academic success and on-campus living, the University of Nebraska-Lincoln On-campus Residency Requirement states:

All unmarried students who are enrolled for seven or more credit hours, and who are under the age of 19 prior to the first day of the fall semester of the current academic year, are required to reside in on-campus housing. This policy is in effect for the entire academic year.

The on-campus residency requirement is administered with the following options to students:

- Option 1. A student may reside in the residence halls at the University of Nebraska-Lincoln.
- Option 2. A student may live with his/her parent(s) or legal guardian(s) and commute* from that home. "Living with" is defined as residing with them at their physical home address for the entire academic year. Parental signature confirms residence location and responsibility for the student.
- Option 3. An "emancipated minor" who has previously established a residence independent from his/her parent(s) may commute* from that home. Emancipated minors must provide legal documentation verifying emancipated status.
- Option 4. A student may live with a "close" relative and commute* from that home. A "close relative" is defined as a grandparent, brother, sister, aunt or uncle. All relatives must be adults 19 year of age or older.
- Option 5. A student may live at the site of employment or internship as a requirement of the position and commute* from that location. (Documentation must be attached).

*** A reasonable commuting distance is defined as being within a 30-mile radius of the UNL City Campus or the UNL East Campus.**

(Additionally, financial aid award budgets will be adjusted to reflect that the student will be commuting.) Mileage is determined by UNL.

For students under 19 years of age, the following situations qualify for an application to be exempted:

(Students who are requesting an exemption must complete the attached form and submit the specific documentation noted)

- A. Married student – proof of marriage is required.
- B. Student with children – proof of birth is required.

- E. Student who will have completed a spring semester at the University of Nebraska-Lincoln and lived in University-approved housing for the entire semester.

A student under age 19 who wishes to request an exemption for reasons other than those noted above may apply for a *Special Circumstances* exemption. To request a *Special Circumstances* exemption, the student must submit the attached form plus a DETAILED information summary explaining their circumstances to be reviewed by the Residency Compliance Committee. *Release from residency requirement is not guaranteed.*
